

FUNCTION PACK

PRIVATE EVENTS @ OSTERIA OGGI

.....

The food at Osteria Oggi is designed to suit shared dining. This shared approach to eating enhances the sense of occasion that brings a large group of people together around one table.

The menu designed by our Chef Andrew Davies, represents our philosophy of bringing the best local produce to our contemporary Italian menu.

Our menus change with the seasons. If you have something specific in mind, or would like to include your favourite dish, we are more than happy to discuss a menu with you. Dietary requirements are always taken into consideration when planning your event.
